“ *Through the marriage of our children, Pashke's beloved son, Antonio, and my dear daughter, Megan, our family got to know a wonderful woman who gave us such warm times together. She made me laugh with her sense of humor and I will never forget when we were sitting at a table for our mutual grandson Alexander's baptism, when she said to me, "I love your daughter Megan as much as you love my son Antonio" and we shed some happy tears together. She always wanted to find a wife for my son, Bill, and my grandson, Keith. I will miss you dear Pashke. With love always.*
