“ Our thoughts and prayers are with the family, unfortunately we will not be able to attend.  
*For me Pasky was the Ultimate Energizer Bunny. Full of life, always positive and on the go. If we all could share her zest for life, we would be blessed beyond words, and the world would be a better place.*

*I'm blessed to have her as my cousin, she was just awesome. Our Cuppetelli Reunion Queen will be missed.*
