“ I am so saddened to hear of Patty's passing. A business acquaintance in Minnesota, I never had the opportunity to meet her, but others who knew us both said we would have really enjoyed knowing each other because we were so must alike. We had many good conversations and upon knowing of her illness she felt free to discuss it with us because she needed to talk. That was the very least we could do for Patty. She was wonderful to work with and my regrets to have never met her.

“ *This is a letter I wrote to Pat the day after she died:*

*Dear Pat,*

*I know that you are with us in spirit and you know how much we miss you.*

*You are, I'm sure, in a pain-free beautiful place with those who left this world before you, with the angels and, most importantly, with our creator. You went to heaven with the love of your family, friends and coworkers.*

*You and I shared so many wonderful moments together. I will never forget the support and love you gave when I needed it. You are truly a great friend.*

*I will keep in my mind and heart all the fun times we shared. The weekly golf, going up north to bring those golf courses to their knees, our trip to Florida where we stayed with Angelo and had a great time, our trip to West Virginia to visit my brother and sister-in-law, trying to break the bank at Soaring Eagle, our birthday club dinners, going to bingo with my Mom and the cruises we took where we laughed till we cried.*

*You are a proud mother and grandmother - always delighting in your family's accomplishments.*

*I will never forget you, Pat. I love you and we'll all be together someday so save a place for me.*

“ Dear Mike, Marilyn, Steve, and Julie,  
Conrad and I were so sorry to hear about your sister's death. Marilyn told us so many stories of Pat's courage and strength in the face of her illness. In spite of all she went through, she continued to be a gentle and caring mom and friend. She was a model for all of us, dying with such amazing dignity. Our thoughts are with you now. God Bless You. Love and Prayers. Conrad and Carol##imported-begin##carol and conrad egan##imported-end##

“ We have had a wonderful working relationship and friendship with Patti for many years. It's hard to believe she is gone. Her fun-loving and caring personality is one we will never forget. Ebbco has lost a wonderful and dedicated employee.
