“ *To My Special Freind*

Pat came into my life only a few short years ago. She went right to my heart. Her legs were short, but her mind made up the difference in our heights!

When we went shopping, I always had to remind myself to slow down because her legs were so short---I just had to remind her---so we could laugh. We did a lot of laughing as we shared our mistakes. Like looking for her car keys that were already in the car or pulling out of Hunters Chase and turning in the wrong direction--- we just laughed and changed our plans rather than turning around.

I will really miss my sweet loving friend.

My heart goes out to the entire family.

“ I had the pleasure of not only knowing Pat, but her Husband also. I am her Hairdresser. Pat was ALWAYS that client and friend that you were Excited to see and spend time with. I retired from the Salon and still saw Pat at my house, we would talk and laugh and at times cry . We shared our ups and downs with each other. I had to have knee surgery and Pat took time with her friend Carol to come over and spend time with me. She would check up on me thru out my recovery. She was a Remarkable women, loving, friendly, feisty, active and caring. She will forever be in my heart.....My deepest sympathy , prayers and thoughts are with the family and friends that she has left behind....One day we will see you again Pat . ❤️🙏❤️

Denise, Cheri and Paul's family were a second family to ours. We spent every summer together having bonfires and spending fun days. Pat had a sense of humor about her and a kindness that we will cherish and I thank her for that. We were blessed to know her. She is now with my mom..her best friend and partner in crime. Laughter was overwhelming. The memories she has shared with us will be in a special place in my heart and probably many others. God is blessed with a angel 🙏. Go with God beautiful lady.
