“ I am sorry It has taken me a little bit to gather all the wonderful thoughts and memories of growing up with an Auntie like you. Your loss was a hard one for me. We moved to Florida when I was very young but much of what I remember of the part I left behind in Michigan was filled with happy memories of birthday parties and get together's with my cousins at your house. I even have some memories of a vacation where one of our favorite stops was to visit Graceland. You always were so beautiful and always impeccably dressed even when you visited hot and sweaty Florida. When we moved to the Florida Keys, my Easters, and Christmas's were always filled with some of my favorite hand made keepsakes that you mailed to me so many miles away. I am grateful that I have recently kept in touch with Carol and Sharon through Facebook and texts. I know my parents Don and Arlene Kotula love hearing from everyone. They had so many happy memories together with Auntie Pat and Uncle Gary and all of you. I wish we could have had just one more visit together you were truly one of my favorite Aunts. Although I am so very sad that you have gone to heaven, my heart is happy that you are once again with Uncle Gary. I always remember how you were always together. In fact I don't remember being around you when you weren't together. Heaven has truly gained another beautiful angel. Our thoughts and prayers are continued for all of you as you learn to find a new normal with out my sweet Auntie Pat. Love to everyone, Diana Kotula Reich for all of the Kotula's / Don, Arlene and Rose.
