“ *Aunt Pat was such a wonderful, kind, thoughtful, intelligent, caring, supportive, beautiful friend/aunt. I remember her being so important and special to me when I was a young girl. Aunt Pat was an inspiration to me because she loved to read and always had a book in her hand reading constantly. She continued her love for reading her entire life. Aunt Pat was always great about “liking” 👍 and commenting about our posts on Facebook. My sons were impressed by how quickly she was to respond. 😍 Her actions made us all feel loved.*

Aunt Pat was an amazing Aunt and friend to me. My family and I will miss her greatly but we will continue to treasure all the wonderful memories. ❤️

Love you Aunt Pat.

“ I was very saddened to hear of Pat’s passing. I’ve known Pat and Sue for my entire life. Our moms were great friends and I had a lot of fun growing up with the Michals and Schneemann families. What a blessing Pat was to her family, and I’m hoping your memories will keep you strong.

“ Pat and I were very close growing up. As cousins we were always together for every holiday and family event - Christmas,Easter, birthday parties, weddings, first communions etc. She was very comforting when my mother (her Aunt) died when we were both very young. I will always fondly remember her.
