“ My heart holds a very empty spot knowing you won't be there to pick up the phone to tell me what I need to hear. Boosting my confidence or cheering me on. My secret keeper and bonus mom. Your determination during this whole fight. You told me to be strong, stand tall. Fight for what I want don't ever give up. Love hard and take care myself. I believed in your love and felt as if I was always apart of the family no matter what life gave. I can't thank you enough for all the wonderful memories, laughs and many tears we shared. Believe me I know you will be right there still and continue to steer me in the right direction or "trip" me if I go astray. God certainly gained a beautiful Angel rest in peace till we meet again.
Al *your favorite always and forever.
