“ We just wanted to express our sympathy and tell you Mike and Family how sorry we are. Pat was such a wonderful and caring person and always made it a point to come over to us at Edward Nepi's Salon and just talk. That was always one of our highlights going to salon to see and talk to Pat. She spoke very fondly of her husband Mike and her children and especially her new granddaughter. It will not be the same without her and she will be solely missed. We feel very lucky to have met Pat in our lives and we love you...until we meet again...##imported-begin##David, Judy and Katie Endres##imported-end##

“ *It's me Pat:*

*Sorry I couldn't be there. I didn't know you long enough. I have never met, in my long life a more caring and sweeter person. I believe that you reminded me more of my own mother than anyone I have ever met. My Mom died on August 11th, 1951, I think God does things like this, He gives you people in your life that bring all the memories back. You were one of those people in my life. I loved you Pat, and will miss you terribly. Mike and the kids have an open wound know, But I know we will all be together some day. The wound heals but the scare will never go away. Pat, say hello to my Mom, and we will see you all soon. A thousand years, to God is as a day, and a day is as a thousand years.*

*Your friend and more:*

*LOVE Tom.##imported-begin##tom whitlow##imported-end##*
