“ My sincerest condolences to the Sajdak famiy. Growing up on the same street. I have many fond memories of smiles and laughter in her ceramic classes. She was so creative and made every class enjoyable. Her kindness and patience will always be remembered. The neighborhood kids could not wait for the first big snowfall to see what winter scene the Sajdak's would create in their front yard. It was always worth waiting all year for! She was a good friend to my mom and a caring neighbor. My thoughts and prayers are with you.##imported-begin##Debbie Harrison (Hunt)##imported-end##
