Patricia Walsh

June 3, 1950-April 23, 2025

With heavy hearts, we announce the passing of Patricia Walsh, age 74, who left us peacefully in Chesterfield, Michigan. Born in Detroit and raised by her loving parents, William and Marion Smith, Patricia grew up alongside her siblings Joseph, Mary, and Judy.

In 1972, she married the love of her life, Jack Walsh and they welcomed their daughter, Kara, in 1982. Together, they built a life full of joy, laughter, and love in St. Clair Shores, spending nearly 40 wonderful years side by side before Jack's passing.

Later in life, Patricia moved to Chesterfield to be closer to her greatest treasures—her grandchildren, Jack and Kate. She adored them beyond words and cherished every moment they shared, especially the early years before school. Her pride and love only grew as those children grew.

Patricia had a gift for finding fun in the everyday. Whether she was traveling to Disney, trying out new restaurants with friends, playing games with the kids or simply cracking a joke, she lit up every room with her laughter and sharp wit. She was, without question, the funniest person to ever walk this earth—her

humor left a lasting mark on everyone who knew her.

She is preceded in death by her beloved husband Jack, sisters Mary Lancaster and Judy Hale, her parents William and Marion Smith and brothers-in-law David Webb, Arthur Shorkey and Barry Walsh.

Patricia is survived by her loving daughter Kara Luplow, son-in-law Matt Luplow, and her adored grandchildren Jack and Kate. She is also survived by her brother Joseph Smith, along with many dear friends and extended family who will miss her deeply.

A Funeral Mass will be held on Thursday, May 1st at 10:30 a.m. at St. Margaret of Scotland Catholic Church, 21201 E. 13 Mile Road, St. Clair Shores, MI 48082.

Visitation will take place at the church from 10:00 a.m. until the time of the service. A luncheon will follow to celebrate Patricia's remarkable life.

Her legacy of laughter, love, and unforgettable stories will live on in all of us.
