“ You were my favorite cousin-in-law! Our grandparents immigrated from Slovakia together and maintained their friendship for many years,including marriages.Your Dad and my Dad Joe were hunting buddies.My Dad was your Godfather.I enjoyed your dry sense of humor,positive attitude and seeing your devotion to your family,You were so nurturing,I know you are now being nurtured in the same loving way.Someday,if I am able,I will see you in the big casino in the sky.I'm sure you have already won the jackpot!
