“ I had the privilege and honor of working for Pat as part of the Database Administration team at Sears. I will always remember her as one of the best managers I've ever worked for. She was always a very supportive, compassionate and caring manager. She was always a champion for the members of her team. And personally speaking, she was always, always, a very positive influence, professionally and personally. Please accept my most heartfelt sympathies and condolences.##imported-begin##Maria Ferris##imported-end##

“ Pat was truly a fine person in all respects, a wonderful boss to work with for 20 years, and a good friend. There is no person more supportive and generous with her time than Pat. When things get rough at work, she's always the calmest person around. I will miss her greatly.##imported-begin##Gerry Cheng##imported-end##

“ If we are very lucky....sometimes in our lives we are blessed to have the opportunity to know someone like Pat. I came to Detroit by myself in 1990 to continue with my career with Kmart and eventually Sears. Pat was a role model, confidant, head cheerleader and clear head when one was needed. She could cut to the chase better than anyone I knew! I'll miss you Pat and will always remember you with a smile!###imported-begin##Ro Cardone###imported-end##

“ I am so sorry to read about the loss of Patricia and I wanted to extend my condolences to your family. We are encouraged by the fact that God knows and feels our pain. We are encouraged to "throw our burdens on him and he will sustain us" (Psalm 55:22). Although there are tears of grief today, God promises a joyful tomorrow without death, mourning, pain, tears or sorrow (Revelation 21:4). He also promises a resurrection to life for our loved ones who have died (John 5:28,29).###imported-begin##T. Cherry###imported-end##

“ *My thoughts are with the family at such a difficult time.*

*I worked with Pat for 25+ years at Kmart. She was such a great lady and I admired her as a co-worker and a Leader. There were so many times that Pat stepped in and helped me over the years; many times in the middle of the night. She was always supportive and I learned so much from her over the years. I can't tell you how many times I have thought of Pat since she left Sears. She has been and will continue to be missed.*

*I am so deeply sorry for your loss.*

“ Pat and I attended high school together. I send my best wishes to her family as I remember the fun times we had together, especially working on the school yearbook. My most lasting memory is Pat playing the child to my Santa Claus. May angels take her in flight into the arms of Jesus and bless her eternity in His presence.##imported-begin##Raymond Lams##imported-end##

“ My sister and I stayed with the Nicholson from the time we were 15 years old until we were 18 years old. Most people have more than 3years with their siblings while growing up, but we make a lifetime in that short three years. although I was only her foster sister, the sisterly love lies in my heart forever

“ Pat was a unique combination of tough cookie, calming force, dedicated worker, good friend. She was much more than my boss at Kmart/Sears. I took her advice on my career, my future spouse, and buying my house. I remember fondly our "cultural events" and the trips to Stratford, Niagara Falls and San Diego (with bus trip into Mexico with her daughter Beth). One day, Pat mentioned that she prays to our friend Mike Mlynek. Now we can pray to her too.##imported-begin##Joanne Schultz##imported-end##
