“ Dear Mr. Kitka and Family,

I am so sorry for your loss. Mr. Kitka, you probably don't remember me...I was in your 7th Grade English block hour class during 1962-63 at North Junior High in AP. You were an excellent teacher! I attribute my writing skills to your mentorship.##imported-begin##Diane Kiraly Grimord##imported-end##

“ My sympathy to Jerry and the Kitka children and their families. Your wife/mother/grandmother touched so many lives, she will certainly be missed. Almighty God does not forget those lying in the memorial tombs. I hope you find these verses encouraging and comforting: Acts 9:36-41 and 24:15.##imported-begin##CP##imported-end##

“ I will never forget the day that I went with the students at St. Mary Magdalen to Skateworld and noticed the teacher Mrs. Kitka. I went up and spoke to her to introduce my daughter who was in Kindergarden at the time. I told her that my daughter Tiffany would be in her 2nd grade class soon. It was then that I discovered that she had also been my second grade teacher at South Elementary School in Warren many years before. She touched the lives of 2 generations in my family and we will be forever grateful. Rest in peace Mrs. Kitka and thanks for being an inspiration.##imported-begin##Kathleen Fee ##imported-end##
