“ Aunt Pat was a living legend. The running laughter, occasionally interrupted by coughing jags, and her effervescent personality are endearing hallmarks. If only I could have seen her address a golf ball with the back of her 7-iron. The Michaywe moment was captured in the animated retelling by Uncle Fred. And so it goes. A cornerstone of the extended Chevalier family has been taken, but misty, water-colored memories endure. Well done, good & faithful servant. Enjoy your eternal reward.##imported-begin##John & Karen Hogan, Michael and Sean ##imported-end##

“ Michael, Larry, Susan and families, My heart goes out to all of you during this sad time in all your lives with the loss of your mom and grandmother. I am so glad I could be there for her especially these past few weeks. She was a very loving, talented and strong willed lady and knew when it was her time to go and meet with your dad. Always remember tears melt those hearts that are frozen with sadness. She is at peace with God and the world and will surely be missed by all. Always Loving and Caring, Vickie xxoo##imported-begin##Vickie Kolasa##imported-end##
