“ I am so sorry that I can't be there to say a final goodbye to my dear, sweet cousin and to give all of you a big hug. I've picked up a bug and thought it best to not spread it to everyone. But know that my heart is there and my thoughts and prayers are with you all and with Pat. I know he is in heaven and smiling down at us all. Goodbye, my sweet cousin!

“ I only saw Pat a couple of times, as I have lived in Florida the past 26 years, but he was such a nice man and a great friend to my Dad, Vern Awe. When my Dad passed away, he found time to write me a note and include a photo of the two of them. So very sorry for your loss. May he live in your hearts forever, Marie Awe Yeager

“ To the Capo family,

Health issues prevent my ability to visit Pat at his sad passing. Our friendship goes back many years with many fond memories. I know your dad is where he wants to be with his beloved Beatrice. My thoughts and prayers are with all of you.

With sympathy and love,

“ I knew Mr. Capo through my father Vern Awe, who was a classmate at DeLaSalle. I so admired how all the DeLaSalle guys stuck together as they grew older. They had quite a bond.

My father passed away 4 1/2 years ago but while he was alive, Pat was a wonderful friend and comrade to him. He will be missed I am sure. My condolences to the family.

“ Pat Capo was truly a sincere man. He always showed true interest during conversations with him. He would ask questions, and then listen intently. He is one of the last of his generation that was a true gentleman.

May Pat rest in peace...

“ I just rec'd the information that Pat died. Tim had called a few days ago and said he was in Hospice, but I had no idea the end was so near. I guess I was reluctant to believe it. Pat was one of my most favorite people in all my world. He was such a calm person, and always so cheerful. I'll miss him more than I can tell, and wish I could extend my condolences to his immediate family in person, but being across the country makes it impossible. The family reunion will never be the same without Pat. I'll always remember with smiles the evenings I spent with Pat and Bea at their home in St.Claire Shores when I'd descend on them with date in tow. It's nice to know Pat and Bea are together again. Pat told me that he was just lost since he lost his Bea, and I know that he's now happy again.

So long, my dear cousin, until we meet again. Say hello to all the family for me until I can do it myself. I'll miss you until then. Ann

“Pat will always be in my thoughts for being the kind and gentle person that he was to me and others. His humor and knowledge and stories will always be a part of my memories of him and especially the way he told them. My condolences to the family for his death, but I know that Pat will be watching us for the rest of our lives.

“To the family of Pat Capo.
Please accept my most heartfelt sorrow for your loss. I worked with Pat at the Ford Sterling Plant from 1973 til he retired. A quiet, mild-mannered man who was well respected by his peers. He possessed a tremendous knowledge of his job with work quailties that were unquestionable. May Pats' soul and the souls of all the faithful departed rest in Peace. Amen.

“ *My deepest of sympathy to the entire Capo family. Uncle Pat was a gentle, loving, joyous man who always had a smile for you and asked how you were doing. He is united in Heaven with Aunt Bea and she is probably talking away with him!! I will miss Uncle Pat; he was a role model for his generation as well as ours and beyond. He humbly served our Country.*

My parents John and Dolores had a happy lifetime with Pat and Bea. Our entire family enjoyed all of the wonderful Holidays and celebrations with him and his family over the years. My loving memories will never fade. Rest in Peace Uncle Pat, we will meet again someday in Heaven.

With a heavy heart
