“ Pat and I came to Macomb County Health Department from Wayne County around the same time, in the late '90's. He was improving our IT situation, as I recall. We enjoyed each other's company, and shared many stories. I remember him telling me, with some pride, that his dad worked on the old Macomb County Building during the Depression, I think as a brick mason. He was a good colleague and a fine person to know. My deepest condolences. Steve Gold (plutsk@gmail.com)
