“ My Thoughts and prayers go out to Dick Bowers and his family. I worked at Budd Rochester and I worked with Dick on existing assembly jobs in the plant and new assembly jobs coming into the plant. Dick had over 45 years at Budd and he was a man of his word and supported the job through out the project. You would review an issue with Dick and he would say we can do that. He was always calm even in the Plant Managers office meetings. After he retired from Budd's I was able to visit him at his home for he lived across the street from my brother-in-law in Utica. I am sure the family has many memories of Dick for I know I do and he will live on through those memories. God Bless Mr. Dick Bowers and his Family!

“ Ann, so sorry to learn of Dick's passing. I enjoyed working with him at Budd. He was one of the great colleagues we had. I am sorry I did not learn of his passing in time to share it with my wider list of Budd contacts. I know many would have liked to attend his services. I hope you and your family find solace in the many shared and happy memories of your life together and send my deepest sympathies for your loss. Dorothy Strefling, Budd corporate.

“ I could not have asked for a better Father-in-Law. He was very kind, generous and such a down to earth man. I could talk to him about anything. I will miss watching golf with him on a Sunday afternoon. All though we will miss having him in our life, we will always have our memories in our heart. God Bless.

“ It has been a great honor to be Dick's son-in-law for 34 years! He filled a space in my life that was vacated by the death of my father a few years before we first met. I have enjoyed hearing all of his stories about years gone by, how to be a "good" husband and how to run a business. My favorite all time quote was, "the last decision I ever made was to get married". I will miss him terribly.... Love you Dad.
