

## Paul Arthur Hemond

July 18, 1938 - November 15, 2022

Paul Arthur Hemond – On November 15th, 2022, Paul A. Hemond, loving, devoted husband and father of three children was called home by God at age 84 after a long battle with cardiac complications.

Paul was born on July 18th, 1938 to parents Dr. Charles J. and Dorothy Hemond in Windsor Ontario, Canada. While in college in Guelph, Ont, he was recruited by the Ford Motor Company to participate in the development of a new computer system that is still in place today where he retired after 27 years. He was an avid outdoorsman with an irrepressible passion for life. He lived life on his terms and leaves a legacy of family and friends that will live on for generation. Paul is survived by his lifelong sweetheart and wife of over 61 years, Rosanne (Barta) and three children, Scott (wife Jean), Paul and Kristin. In this legacy Paul leaves grandchildren Dan (wife Kayla), Josh, Annie, Ben, Luc and great grandson Connor to carry on his philosophy of nobility and honor. Paul lived with a strong faith and through subtlety and example passed that faith to his family through words and deeds. His example of nobility is present in the lives of those left behind. Although painful for those left to grieve their loss, Paul is with the God that he loved and worshipped and we, the ones left behind, know that he is safe and unencumbered by the physical obstructions that he endured in those final weeks and months. He is at peace and in the loving care of the Divine One. May perpetual light shine on you, Paul A. Hemond. “ *Rosanne and family, I just heard that Paul passed away. I am so very sorry for your loss. My deepest sympathy goes out to you and your family. I should have called you some time ago when I was thinking of you both. I didn't know Paul had such bad heart problems. Thanks to Lawrence Dietz, Paul's bartending buddy, who told Joe Schiefer, and Joe called me to tell me about Paul. I hope to get in touch with you soon. Take care, and God Bless.*

“ I've known the Hemond Family for over 40 years and in that time, I would say that they were my "second" family. I had an instant connection with the entire family and a love for all of them. Both Mr. and Mrs. Hemond were amazing people who were incredibly welcoming, generous, and just plain lovely people. Hearing of Mr. Hemond's passing brought back lots of memories of so many years gone by and so many wonderful times together. For instance, at Christmas 1982, our band, Paradox, with Paul, Mike Balos, Jon Lafever, and Tom Smart playing a gig in their living! A full-on rock band playing at the family Christmas party inside their house! Only the Hemond's would welcome such cacophony into their home! How about all of the years Christmas Caroling in the neighborhood? What a wonderful yearly family event! All the meanwhile, Mr. and Mrs. Hemond were just in the middle, watching, sometimes, even conducting, but always incredibly loving and full of joy and laughter. Mr. Hemond will be dearly missed by all who knew him and loved him because they simply do not make people like him any longer. I was incredibly sad and devastated to hear of his passing this week from Paul as it certainly marks the end of what was a wonderful and beautiful era. However, we have to be thankful for having had someone so wonderful and amazing as Mr. Hemond (and Mrs. Hemond) in the first place. He was a smart, tough, funny, generous, kind, and lovely man. I am so blessed to have been a part of this amazing family for so many years and I just want you to know that I love you all and I will miss Mr. Hemond for the rest of my days. You can rest now, Mr. Hemond, the pain and suffering are over and you are now healed in the Kingdom of Heaven.

“ I met Paul and Rosanne at the Carpathia Club. We became friends and started working the festivals together and bartended at the Club together. Paul became a good friend and we got to know some of his family. Paul and Rosanne became some of our closest friends at the Club, and he will truly be missed. Paul was a wise, kind and gentle soul. Godspeed my friend. We pray the family will be comforted by their many warm memories of this truly great man.

I have lost a dear long-time friend. Paul and Rosanne and Bob and I made so many memories together as neighbors, friends, camping buddies, Friday night card games, shared families, best friends, business partners, golf and fishing buddies, sausage making, and Caroling parties. Paul made the very best Manhattans! RIP dear friend; your suffering is over. Give my Bob a hug for me when you get to heaven! Enjoy fishing and golf together again and we'll all be together again one day! My love to Rosanne, Scott and Jean, Paul and Kristin. Love, Carol
