

Paul Kies

June 18, 1950 - January 1, 2019

Paul Robert Kies of Shelby Twp., MI passed away peacefully on Tuesday, January 1, 2019 at the age of 68 at William Beaumont Hospital in Troy, MI. Paul was born in Buffalo, NY on Father's Day, June 18, 1950. He was preceded by his loving parents, Paul George Kies and Edith Kies. Paul was a devoted and caring husband to Kathy (Schneider) Kies for over 46 years. He was a loving father to Paul A. & Sally (Stier) Kies, Christopher & Elizabeth (Diem) Kies, and Andrew & Deanna (Gerberry) Kies. Proud grandfather ("Opa") to 7 grandchildren: Paul James (PJ), Orrin, Eli, Annalise, Andrew, Nathan, and Ian. Dear brother of Edith (Dietmar) Poelzing and Marlisa (Robert) Kalb. He is also survived by countless loving family members and friends.

Paul was a minister in the New Apostolic Church for 49 years, who joyfully served members in Buffalo, NY, Westlake, OH, El Paso, TX, Dayton, OH, and Sterling Heights, MI. He retired from his ministry in October 2017, in the midst of many loving friends and family. His service as a minister and member of the church included holding services, visiting members, singing in and directing the choir, acting as youth leader, and leading small group discussions. Paul recently retired from Delphi Product & Service Solutions in Troy, MI where he was a Packing Engineer. Paul's spiritual and natural works took Kathy and him on many adventures, and afforded Paul the privilege of touching many lives. He was known for his generous heart, contagious energy, humorous nature,

and pure joy for life and relationships. In his short time in retirement, Paul enjoyed volunteering at church and in his community (via MCREST), cooking delicious meals for his wife Kathy, enjoying his lake house, traveling in his infamous Astro Van to visit family and friends, completing home improvement projects, and canning vegetables that he grew in his home garden.

“ *So saddened to hear of Pauls passing. He was a great family man. I remember all the volleyball game he attended to watch his sons play. His encouragement and support helped propel each of them to heights even they didn't know they could achieve. He will be truly missed.*

“ Loved how he came to our house to teach confirmation lessons to the kids. No one smiled more than him and you always felt like you were a close friend when you talked to him. He always laughed how I would complete church tasks at the last minute. Knowing we will not see that smile again for awhile is tragic but his life was a celebration of joy.

“ I am so saddened by Paul's passing. Paul and I worked together for several years at Delphi. He was the packaging arm of my product development team. I remember how excited he was after designing a difficult box for an unusual fuel pump on a GM vehicle. We golfed together in the company tournament...just a great guy and has left us too early. My condolences to the family. He will not be forgotten.

“ Kies Family, So sorry to hear of your loss. I only knew Paul via working our few trips together at the Plainfield, Indiana warehouse to improve some products. The core group of us loved Paul with his musical abilities thru out the work day. A little singing with Ed Wells and Paul's drum solos were great. Paul and Dick Dent always wanted to go to the Plainfield Mexican for lunch during these reworks. Paul liked the "flan". The stories he share while relaxing at the hotel pool were always entertaining. I'm sure Paul will be greatly missed. I hope and pray that Paul got to really enjoy his short retirement time.

Rest in peace, Paul.

Solo drums in the car is a view to see. Growing up I always though he played the drums in a band or something, nope just the car 😍😄😄

“ *Dear Kathy, Paul, Chris and Andrew,*

My heart breaks for you and your family with Paul's passing. I was privileged to live next door to this wonderful man. I observed someone who loved his Lord, adored his wife, loved and beamed with pride for his children, and over the moon for his grandchildren. There are many memories to share, but one in particular I will never forget.

One time Kathy had been away for a couple of days with one of the boys. Paul planned a surprise dinner for her that he served on the floating raft in our neighborhood lake. I watched him carry a table, chairs, umbrella, utensil, etc.. by paddle boat to the raft. When Kathy got home, as if on a date, he escorted her by paddle boat to the raft for dinner. He asked me if I would take a picture of the two of them. They beamed like teenagers.

Thank you Paul and Kathy.

“ „During our residence in the US, we met you first at the Utica congregation. Serving as a minister, you shared your deep and profound faith and knowledge about biblical history. But not only your faith was extraordinary, also your endless love and joy and enthusiasm and humor were catching. In everything you did we could feel this spirit, no matter whether it was singing in the choir or organizing a fellowship event, like the legendary soup contest. (Yes, I still have the recipe for your Mexican Tortilla Soup!) You made everybody who entered your home feel like a beloved family member, that's what I have to tell you from Carolin (and I know everybody will agree)... We are blessed beyond words our paths of life crossed and we could share precious hours. You will be in our hearts for ever! Until we meet again, Anette, Bernd and Carolin.“

Dear Kathy and family,

You are in our thoughts and prayers in those difficult times. Have our deepest sympathy.

“ *The first week in December our congregation served as a shelter for 30 homeless women and children. You were there every morning at 6:30 to drive them. They would argue over who got to ride in your van because you shared a new recipe with them each day! They all heard about your famous pickles and we had a late night tasting so they could give them a try! You have touched so many with your love, faith, and that great sense of humor! And the kazoo... who would have thought the “K Orchastra” would be such a hit at this years Christmas Program. To say that you will be missed is an understatement. We are all truly blessed to have called you our faithful servant and friend. Until we meet again, we love you! The Morse's*

“ Dear Kathy,

As many have all ready told you, we were shocked and so deeply saddened to hear of Paul being called home. He will always remain in our hearts as someone so vital and young! You, your boys and grandchildren as well as Paul's sisters and extended family will be remembered in our prayers during this difficult time of separation. We are so grateful to hear the service will be available for us to connect and listen in.

Our hearts are very moved remembering Bob and Paul working together at Deaconess, so many youth trips, Apostle dinners, fellowships, times spent together in choir and visiting.....even how you two played a big part in our courtship! Bob fondly recalls the Blizzard of '77 when our husbands were stranded at the hospital together and also during another storm coming together at your East End apartment along with Schlegel's and Sister Rech so Paul could still hold our Sunday service. You and Paul cooked a hearty brunch for us before we ventured out to walk through the snow to our apartment again. Other fond memories include the Buffalo guys sealing the parking lot every summer and painting the ceiling light fixtures at our Pine Ridge Rd. church before the Chief Apostle visit. We are related to you and Paul in our hearts. That bond cannot be broken by time or distance. Whenever our paths would cross again after you left Buffalo, you would greet us as loving friends and that's the way Paul always was. Once you became his friend, that had no end date.

We will always remember Paul as a great example of faith.

We love you Kathy, Paul, Chris and Andy!

“ Kathy and all Paul's wonderful family. He held such regard for all his family it was wonderful to spend time in the evenings by the pool talking about careers, families, church group activities and, of course, work. These times together at the Plainfield, IN DPSS warehouse were priceless. I will always remember them and our times together there. I am most disappointed that my wife and I cannot be in attendance but we will pray for you and all your family. He loved you all, I still remember the picture of he and his grandson sitting on the end of the dock fishing. I will miss him. May the Lord bless you and keep you, Richard Dent

“ *Kathy and Family,*
Our walk of faith together with your loved one was far too short. Though our paths crossed through out the years, the privilage to share a closer friendship and relationship only began three years ago when I relocated to Sterling Heights. His smile, humor and warmth was infective. More importantly, his faith was an example to all. May our God, whom he has served and love hid entire life, embrace you and be a source of comfort during these difficult hours. Each of you are in our prayers.

*Dear Kies family,
My condolences & sorry for the late response, as the unfortunate news of Paul's passing just made it here to Lockport & the GM/Delphi folks. Had the pleasure of working with Paul at Lockport & then El Paso. There's a special few people that you work with over the years that stand out & are impossible to forget. Knew Paul as an excellent Packaging Engineer, but was not aware of his many other talents. We lost a lot at Lockport when Paul & the whole packaging operation was transferred to Mexico. Once again, my honor to have worked & joked around with this wonderful guy. May he RIP.*
