“ Dear Uncle Paul and Aunt Sharal
Our hearts are breaking along with you during this tragic time. We are saddened by this tragedy and are still in a state of disbelief. Please know that although distance separates us physically, you and your well being are in our thoughts and prayers more than you'll ever know-yesterday, today and always. An amazing vibrant soul has been taken away too soon. Please seek help to get through this difficult time as I know it is difficult to comprehend and the pain too much to bear. I pray your hearts will come to know peace again someday. You are loved.
Joey-you are missed more than words can describe. Until we meet again-RIP Joey.
