“ *I spent many good times with Paul. He was my best friend. I am reminded of the time when my ex wife and I arranged for him and his wife Mary to meet. It was a great day.*

“ *I have a couple memories of Paul. I would say I was approx. 8-12 yrs old. My parents(Dave Schefke and Cara Schefke ,at that time) and us kids went over to Paul's house for whichever reason it was. Well Paul and his wife, Mary were making French fries in the fry daddy. Well, I had made a comment about loving the super crunchy fries. Next thing I know, Paul has made me a plate of super crunchy fries. It's the little things. ~Christina Schefke (Tina)*

Tina, that memory of my dad making you fries brings a hug to my heart. Not only does it show how sweet my dad was, but it also shows how much he loves his new "toys". Every time he got a new appliance he wanted to learn as much about it as possible. Thank you so for sharing and I hope you guys are doing well. -Sara
