“ Papa, we are so blessed to have had so many wonderful memories with you. I will treasure all of the memories that you shared with your grandchildren and great grandchildren. We have had so many moments; most silly, some serious, and a few too close to the heart to share. I will never forget our countless adventures together and heart to heart talks. A picture may be worth a thousand words but a heart full of memories is a legacy. Thank you for making yours one of unconditional love.

“ *To my beloved grandfather..... You were the most loving, caring, giving person I ever known. You taught me to love unconditionally and live life to the fullest... Most of my fondest memories In my lifetime were with you. I loved our fishing trips and our vacations to Tennessee just you and me. All those times eating fried spam and Vienna sausages. But most of all just growing up with you and listening to all your life stories especially your childhood ones..... My own children loved spending time with you listening to grandpapas stories..... And we never knew if they were gonna be clean ones or dirty ones!!!! You could always make us laugh and you could always laugh at yourself!!! And you had an amazing laugh..... And your smile could brighten any room. You lived a long amazing life for 90 yrs.... And touched many lives. Anyone who ever met you loved you immediately.... I will miss you soo much you will Always live in my heart and through my children's, your spirit will live on and will never be forgotten..... I know you've gone fishin now.. All my love always papa... Your blue eyed angel, Wendy*

I will always remember him watching the hula girls dancing at Mr. McGinty's retirement party, laughing and having a good time. What a great day/night. Thank you Mr. Pierce for the hand you had in giving us such wonderful friends. Rest easy Sir.
