“ They called him "Tall Paul" because he was tall and lank". Yet even more, this Man was tall and straight in both his manhood, his relationships, and perhaps his tallest of achievement was his stand up performance as a ranking member of Detroit Fire. His peer respect and his faithfulness in service to fellow fire fighter's and their goal of public service "stood above and beyond" with his lasting respect and dignity for his fellow man. As such, he remains "Tall Paul" in our hearts forever!"

“ *Vicky, Donna and Scotty, May you find peace knowing he is no longer in any pain, Uncle Paul was the best. We all loved him dearly. I thought it was funny how only until about a year ago he was one of the few people who still called me Pookie!! Always made me feel like a kid again. He will be missed. Love, Liz*
