“ I met Paulie when he traveled to London Ontario Canada for work and came into the restaurant I worked in as a bartender. He called me "his favorite Maple leaf" what an amazing spirit he had. R.I.P Paulie, love always,

“ Having known Paul for many years the imprint of his constant smile will forever be etched in my memory. He was an integral part of the Kaiser Jeep/AM General launch group from the Dearborn days of the late sixties and he touched many people. What a guy, what a tool box!!!!##imported-begin##Cy Boudreau##imported-end##

“ I worked with Paul at AM General and TTC. He was one of the nicest people I knew. Always made friends easily and made you feel comfortable to be around him. He made work a better place to be with his positive attitude. I offer my condolences to his family as I know he will truly be missed.##imported-begin##Christopher F Craft##imported-end##
