“ I have so many memories of Paul growing up. He seemed to take on the duty of watching out for me when my brother Paul was in the Army. No easy task. The world will never know what an amazing, caring, generous man Paul was...but his Family and friends will always know. My most heartfelt prayers and sorrow go out to you Mrs. Haddad, your family, Karen, Rachel, Kevin, Diana and Jim.

“ Karen and the whole Haddad family,

*I am really shocked to have received such sad news. I worked with Paul at Ford & Visteon for many years. I met Paul for the first time when I was interviewed for an Engineering Coordinator position by several people including Paul. Paul was always the "go-to" person for help & guidance. The things I'll remember most were his patience, sharp sense of humor and that he always listened carefully before giving advise. He was a great mentor and friend to so many of us at work. I'll surely miss him.##imported-begin##Scott Dunham##imported-end##*

“ So sorry for the lose of a wonderful person that has brought joy, love and happiness to many people. He will be greatly missed by many. I am so saddened for his family and friends that will no longer be able to enjoy his nice smile, friendly manner and helpful personality. We never know how much time we have here on earth and we need to appreciate the time that we are given with one another. He will be at peace now with his wonderful father.
