“ Cheryl, Carole, Lisa, Lesley & Richard,
My sympathies on your moms passing. I have such fond memories
of her. I spent quite a bit of time at your house growing up! I
remember her sitting on the front porch in the summertime, as we
all played..on the grass... in the garage...up and down the block.
She'll be missed by all your family but when your heart is aching, fill
it with the memories you have with her.
