“ At a time when words are hard to find... sending loving thoughts and heartfelt prayers to you, her family & friends. Although I did not know Aunt Polly well, I know she must have been a special lady. May the Lord sustain you during this stormy time & may you have peace. “ The fond memories will all ways remain of Uncle Tom, Aunt Polly, Arlene & BOOTS!!! showing up at our house for a visit! I remember never wanting it to end. Your Mom and Dad impressed me the way they were so classy & dignified, yet they were always excited to talk about their "tough times" growing up on the family farms. I know in my mind the perfect role models they were to me, have reunited up above. Our prayers and thoughts are with you.
