“ *Uncle Paul was a fatherly figure to us all. I'll miss his unexpected, but always welcome, visits, and the way he knew how to tell a story. He made everyone feel loved around him, and usually called them 'Honey' at least once while talking. His body may not be here, but his spirit is alive-and-well in the friends and family he touched, and his soul is in the best place imaginable. To a life well lived...##imported-begin##Jeff Reed##imported-end##*

You will be fondly remembered and truly missed by all. Our deepest sympathy and condolences to the family. God gained another angel... may His healing power comfort us in our grief.##imported-begin##Ron and Sharon Reed##imported-end##*
