“ This is a beautiful family. I am so very sorry for your loss. Kristin has been a dear friend for a long time, and I am lucky enough to have many treasured memories of meeting and spending time with Rene, Ashley, Jake, Lilliana and other members of the family. I had the pleasure of meeting Peter a few times over the years, and each time I was moved by his kindness. There was a strength to his presence and I could see how supportive he was of his family and the love he had for them. This type of love and family has a positive impact on us all. You will all be in my thoughts. Sending love and hugs, Melissa

“ I did not see Uncle Pete much as an adult, but I remember him very clearly from my childhood. I remember his kindness toward me even when things weren't so great in my family. I remember his elegance and what a handsome man he was. I remember looking at him and thinking of him with admiration at how he cared for and loved his family. I know he will be deeply missed and I am so sorry for your loss.

Love,
Josi
