“ He puts a smile on my face by just saying his name. I don't think Uncle Pete had an angry bone in his body. Playing motta or telling a story everyone,including me, wanted to be near him. He will live in my memories with every hip hip hooray

“ I can see him on our vacation on the Disney Cruise Ship--back when all our kids were young. He is wearing his sweatshirt that says "CEO in charge of Diddly-squat" or something similar, and he is bringing plates of shrimp from the buffet to us at poolside for lunch! We had such a great time on that trip enjoying Pete and Jean--great family you guys have. Karen & John Goike

“So sorry for your loss, he will be missed by everyone. I will always remember when he showed me his fingers and it looked like one was missing, he would say, "Don't become a butcher, you might lose a finger." If I said Hip, Hip, Hurrah first, he would say, "Hey that is my job." Always fun to be around. Such a nice picture of him.  
Love and God Bless.
