“ I love you my daddy - and I miss you so much. I always treasured our special times together and all of our lunch dates. You are such a big part of my life and will always be in my heart.  
I was always proud to be "Daddy's little girl." My comfort comes in knowing you are now with Mom and Uncle Cassie and all those loved ones that "checked out before you did." Thank you for all your love, support and encouragement - you are the best Dad in the world!###imported-begin##Kathie###imported-end##

“ Dear Dad,  
*I will always remember all the love you have given me through out my life including the last precious moments we had together before you went to "sleep with the angels". You have been a wonderful Father who showed me strength, courage and gentleness by your words and example. I am sure you know how much I miss you and that even though I won't be able to see and touch you, you will forever be close to me in my heart. I LOVE YOU, DAD and give Mom and Jim a great big hug from me.##imported-begin##Patty##imported-end##*

“ To very special Uncle Pete. Whenever he saw me, he used to say, "Judy, Judy, Judy," just like Cary Grant. It always touched my heart that to this day he would still write that greeting in my birthday card. Pat and Kathie, I know you and your families will miss him very much, but there is comfort in knowing he lived a good life and is now able to be at rest. If we hear any rumbling from above, we know it's from the huge Welcome Party the other aunts and uncles are having for him up in heaven!

“ We will miss you, Uncle Pete. Cassie must have missed his "driving around" buddy! Now you and he can spend all the time with "the girls" that you could ever hope to have.

*Kathie, Patty, and families: You are in our thoughts and prayers. We love you, and wish you comfort. We wish we could be with you at this time, but we were grateful to get to see Pete so recently, and we are keeping you close in our hearts.*

“ I am over joyed by the fact that I had over 25 years with my Dzia-Dzia.

*There are so many childhood memories that I will take with me for the rest of my life. What other man would rake up 10 bags of leaves just to dump them out so his "girls" could play in the leaves, and do it all over again for an entire weekend?*

*I am grateful and appreciative for all of the time that I was able to spend with you. I wish it could continue, but I have comfort knowing that I have another angel watching over me, and that we will get to have dinner together again someday.*

*I LOVE YOU VERY MUCH DZIA-DZIA, AND I WILL MISS YOU  
SOOOO MUCH!!!!##imported-begin##Mary (Horn)

“ Dad,

*I will miss you very much. You have taught me several great lessons in life and I hope that I am able to follow your example in living them. First, you never referred to me as your son-in-law but as your son and I hope I can always feel that love towards the men my girls marry. Second, you taught me that a strong man can be gentle. You would wash the floors for mom letting her rest as you did the heavy work. I hope I am able to live that out with my wife as part of the legacy you left to me. See you on the other side! -
