“ I worked with Phil for a short time many years ago at Lamb Co...He was transferred to Fab Tec .. I ,and several of my Controls friends remember Phil as a very nice person who was a pleasure to work with.... He had hired in probably in the late 60's or early 70's.... I am very saddened to hear of his passing...My deepest condolences to the Zito Family... Phil was very respected and liked by his "Lamb Family" of years past.....
