“ My condolences to Larry's family and friends. Larry was always nice to me when my dad was on the fire dept with him. I remember going to his catering company where him and his wife watched me. He will be greatly missed.

“ We had alot of fun growing up. We spent more time with uncle Richs family because he and my Dad were close. The memory of Larry I remember most was when we were around 6 and 9 and Larry, Dale, me and Sharyn were all in the bathroom at Uncle Richs (remember we didn't have a brother) and Larry said he had to pee and he proceeded to pee on the wall and ceiling and all around the toilet laughing hysterically as us girls screamed and tried to get away.
