*“ I'll never forget the first time I met Grandma Rutkowski! She was at her apartment watching the Red Wings. My first thought to myself was, "wow Amanda has an awesome Grandma, she loves hockey and so do I". She was really a wonderful person to speak with. She will be missed, but never forgotten as her spirit lives on through the entire family.*

*Dennis, Grandma was very blessed to welcome you as her grandson into the family as we are all blessed to have you as part of us. We were so happy to have Grandma attend such important events for you and Amanda, especially your college graduation party, wedding shower and wedding, and also your first Christmas in your first house. Thank you for writing such a beautiful memory of meeting Grandma.*

“ *Grandma I truly hope you know how much you meant to me. I am grateful for all of the time that we spent together, and how you took Lauren in and loved her like she was your own. Over the years, you and I spent so many hours together talking about cats (Sabrina and Missy and of course my Mama Kitty and Squeaker) and looking and so many pictures and videos of them! You loved Detroit sports for so many years (namely the red wings and tigers) and I loved hearing you talk about them. It's funny, because you loved cats and hockey before I did, and now they are my favorite things. I think we all have a part of us that is so much like you grandma, and that helps remind us that you are here with us forever <3*

“ Dearest ❤️ Cindy, Linda, Pam, Kim, Lori and Eddie..... I was filled with sorrow, hearing of the passing of my Aunt Phyllis. A Beautiful person in inside and out. Both of your Parent's have brought up such a lovely Family. Children with strong virtues, morals, compassion and integrity. They, have done so in turn, with their own Children. So many memories and pictures fill my ❤️ Heart !!! My Aunt, always encouraged me to go on with my Life, after my Mother (sister-in-law) passed. Silly, as it sound, I will remember her for her love of chocolate cake and ice ream on her Birthday! .....and No one made better. City Chicken! May the Angels walk with you!

“ *She was such a wonderful woman. She had a heart  of gold. I remember her being so kind and gentle. She was a woman who had a lot of wisdom. One definite attribute she had was that she LOVED her family. It's such a BLESSING that she was able to see so many grandchildren and great grandchildren. What a heritage she leaves behind! She will definitely be missed * ”

“ *My Beautiful Mom...I will always cherish all our times together. We could make each other laugh so hard, especially when I tried to teach you to drive in the cemetery. I will always remember the times singing, dancing & praying together. Nothing was ever more important to you than your family & being with us. You loved all of us including your son-in-laws & daughter-in-law, as if they were your own. You were the Best Mom & Grandma! You were always very loving & compassionate lending the best ear. I will miss you dearly (& so will McDonald's). You're with Dad & Eddie in heaven now. I love you Mom. I'll see you later Alligator! Love, Cindy*

“ I was truly blessed with a wonderful mother-in-law. Phyllis loved and supported her family unconditionally. Her smile and laugh was contagious. I remember how Eddie could always make you laugh when he would say Hey Phil how's it going? In the same tone of voice as your husband. We both knew I was your favorite daughter-in-law as I was your only daughter-in-law which would always make you laugh and smile when I said that to you. You are with your son and husband and now at peace. You will be forever missed and will always have a place in my heart. I will treasure all the memories. Much love to a beautiful and strong woman. May you rest in peace Phyllis.

“ Mom was such a beautiful person inside and out. She had and displayed such a tremendous amount of love for her children and grandchildren. Mom had a great sense of style back in her days and loved ordering clothes from QVC when she was working at the bank. I think I know where I get my passion for fashion from! We had so many wonderful memories. One that I truly adore is before Mom and Dad would leave out of the house to go play Bingo, Mom would ask Dad every time, "Do you have your hankie, wallet, & keys?" And I would always give them a kiss before they left. Mom, I am sure Dad is ready to play Bingo with you again! I love you so much Mom and will miss you dearly.

“ Mom set a beautiful example of how to have patience, love and humility. One of the fondest (or should I say funniest?) memories is when Mom and Dad attended a school ceremony for me. I'm not sure who did it first, but one of them spilled their entire coffee. Not too much later, the other did the same thing! While I was embarrassed, the two of them just laughed! Mom, you have always loved dancing and you have passed that down to your children and grandchildren. Alexander was the first on the dance floor at his prom! May you dance in heaven Mom! I love you so much. Pam

“ I admired Mom's patience and understanding. She was such a great listener. Her responses were short, sweet, and wise. I always think of what she would say whenever I have a problem or when I try to help someone. Such a beautiful person inside and out. I will always hold her dear to my heart. I love you Mom, Kim 💕

“ I always felt my faith was passed on to me from Mom. I was always drawn to it through her and through Our Blessed Mother Mary. I am a better mother because of Mom’s example. She was a role model of humility and sacrifice. She worked very hard to take care of her six children and never asked for anything in return. She’s why I dance and sing and love Elvis music. I hope I will be as graceful as she was in my later years.

*With All My Love to you Mom, Linda*

“ What I remember most about Mom is the day I proposed to her daughter Linda. We went to Linda’s parent’s home to announce our engagement. Her mother was happy and cheerful but her father said “no”. Linda’s mom’s love and persuasion convinced Dad to allow me to marry her daughter. Love you Mom❤️
