

## Phyllis A. Spudowski

March 17, 1940 - December 11, 2023

Phyllis A. Spudowski, of Roseville, passed away on Monday, December 11, 2023 at the age of 83. She was born March 17, 1940 in Hamtramck to Michael and Frances (nee Gasior) Demkowicz.

Phyllis loved camping, baking and basically taking care of others. She was very active at St. Raymond's volunteering for the parish festivals and various events. She enjoyed being active and involved in many different social events.

She was a very caring person. She was always on the phone making sure friends and family members were ok and spending hours talking to them and keeping up on their life's activities. Friends and family were very important to Phyllis. She went out of her way to make sure they were taken care of. She loved to entertain and host all holiday parties. To have a house full of happy people brought great joy to Phyllis.

As social and outgoing as Phyllis was, her true love and passion in life were her grandchildren. She was not just Grandma, but she was their biggest fan and supporter in everything they did. She was her happiest when she was just spending time with them. To see her grandkids and family happy made Phyllis feel overjoyed. She will always be remembered for her deep love of family and making everyone feel as though they were included and part of her family. She will truly be missed by everyone who had the honor to be a part of her

life. Her strong foundation of caring for family and friends will continue to be her legacy carried on by her children and grandchildren for years to come.

Beloved wife of Marvin for 61 loving years. Loving mom of Robert (the late Rita) Spudowski, Gail (Larry) Pokropowicz and Sharon (Rob) Schreiber. Adored grandma of Eric (Michele) Gorski, Rachael (Tom) Ireland, Marissa and Jessica Spudowski; Meagan, Emily and Matthew Pokropowicz; Cody and Samantha Schreiber. Precious great grandma of Anthony and Ava Lanni and Ella and Lila Gorski. “ To Uncle Marvin and Family you have my deepest condolences ,I wish I could be there to hug all of you I know all to well what your feeling right now, I'm not going to lie to you and tell you she is in a better place because the better place is in your arms but she is in a good place being loved and held by so many of our loving family that has passed before her and you can be sure my dad is hugging her so tight and my mom is holding her hand not to mention everyone else who loved her so much, she will never leave your hearts or your thoughts and she will live on in all of your memories. There will be bad days and good days, but that's ok because on the bad days and tears fall from our eyes thinking of the ones we lost a little bell rings in heaven and let's them know how much they are still loved after they have left this world and wow what great feeling, I guess what I'm saying is hold each other and love each other and celebrate what an amazing life she lived and the beautiful family she created, that will continue living on in each and everyone you. Love you all to the moon and back. Love Denise and Family
