“ So long for now my Dear Aunt "Fu", we will all miss you so very much. Thank you for all you have done for all of us, our lives were enriched to a great extent because of you. You were the perfect example, a caring daughter, a loving sister and the best "aunt" any niece or nephew could ask for. Your strength, independence, honesty, integrity, generosity, and kindness have touched us all. We will never forget you and will always love you.....until we meet again...
