“ So sorry to hear of your mother's passing. I was her neighbor, always on the run to and from work, school and wherever. Mrs. Robinson was a very nice lady that I enjoyed talking to. Now I wish I had made more time in my busy schedule to stop in and say hello. I was always concerned in the winter that even with snow removal service that if she had to get in or out, so I would clear both of our drives and stick the newspaper in the mailbox so she wouldn't have to open the garage door and deal with the cold. I will miss having her as a neighbor.

On behalf of the Maple Lane Valley #2 Association, we share in the loss of your mom.

With sincere sympathy-
