“ Rachel,
words cant even express the impact you made on my life from me telling you about my first kiss to me telling you im going to be a mom, you've been through it all and thats what sisters are for, you were a guardian a bestfriend a sister and an amazing girl all around, and i thank you everyday for bringing my beautiful niece into this world, i cherish and appreciate all the time God gave me to spend with you, you taught me about boys and style and you taught me about myself most importantly. you always helped everyone and you always gave the best advice when it came down to anything. I cant even believe how excited you were when you found out i was pregnant, i cant even begin to thank you because if it wasnt for you i would have went an had an abortion and it means the world to me that you saved my baby, being a mom feels amazing and now i understand how you felt with raelynn, we all love you and we will miss you and never forget you. i love you <3

“ Rachel our sweet ,sweet baby,
Yesterday was the most horrible day , Steve and i greived the loss
of our daughter, Danielle and Arielle their sister, Donovan and
Elizabeth their Auntie Rachel . I wanted so badly to stand up and
speak! I knew what I would say, but when the time came No words
only tears and pain overcame me. I wanted to tell everyone how
Blessed we are to have God bind Our families together as he did
along time ago. That you and Natasha were ours too! !!! Rachel
What a kind soft spoken shy young woman you were. That you 're
an awesome momma, and if you were afraid or not sure you never
hesitated to call us to ask what to do about Raelynn! Rachel we
promise we will continue to spoil, teach, and provide her love.
Rachel We are very lucky, and do Thank God for so much of your
short lived life to be spent with us ! Precious Raelynn Nonie June
and Papa Steve are here for you, no matter what in good times and
in bad we love you Vicky, Rick, and Aunt Cindy, and our girl Na
'Tasha we will surround you with love, and compassion we will be
your rock when needed. we will take care and protect everyone the
best we can! We love you and will miss you until we meet in
Paradise . Love Mom June & Dad Steve

“ So many memories of Alumni and cheerleading include you,
Rachel. You drove me crazy, challenged me, but under all of that
you could see such a beautiful heart. We are sending prayers and
love to your family and friends.

Rachel, I remember back in the day when me & you used to hoop and you were the only girl that ever packed me on the court or shot a 3 in my face. I also remember you playing basketball and schooling the boys and girls both. We had all kinds of fun at rotary and at your aunts house. To be honest, I thought you and Tasha were the coolest sisters that I ever met. I'm so sorry I wasn't there for you or your family today, but I put my prayers out for all of you. I will never forget you or that beautiful smile that you had. You're one of the few people that know my real last name too...LOL

“ Our prayers are with the family and Raelynn. Its sad to see this happen to someone so young with so much to look forward to. Despite the pain we can all take comfort in the hope of seeing her again. In a world free of sickness, pain and death. Where Rachel can be reunited with Raelynn and reach her full potencial.
