“ Dear Diaz family,

Kim and I both knew Ralph from our time working at Delphi. Ralph made you glad you walked through the door that day! He was a treasure. After I left Delphi and Kim was still working there she would say something to me about Ralph and tell me that Ralph says "hi". What a special person.

Rest comfortably now Ralph.

Our sincerest condolences to the Diaz family, Kevin and Kim Cope.

“ Ralph was a wonderful and kind man. He always had a smile when I would have a visit at Delphi. We had wonderful conversations over the year. He always talked about his wonderful wife, kids and especially his grandkids. He will be truly missed. Rest in Peace my friend.

“Ralph was a person who made you feel heard and welcomed. I met him when I started working as an intern at Delphi. There was a reason he was so loved by everyone around him. He would always brighten up your day with a smile and a simple "hello". The group of interns I worked with would visit him daily to catch up and snag some candy he would leave out on his desk. I will always remember that and his welcoming presence.

My heart goes out to the Diaz family as you cope with your loss.

“Ralph was the first person I met when I interviewed at Delphi in 2012. He immediately made me feel welcomed. He always came across as kind and well-grounded, always helpful and I never saw him in a bad mood. He received several recognition awards for his conscientious work at Delphi. Ralph was justifiably proud of his service as a naval aircrewman, often flying from aircraft carriers during the Vietnam War. I'm a military aviation enthusiast. I used to like listening to his experiences in the navy. He was proud of his family and was a salt-of-the-earth kind of man. My heart goes out to Sherry, whom I knew at Delphi, and all of his family.

With Deepest Sympathy,

“ *Ralph warmly welcomed me every time I visited Delphi/Aptiv Troy from Warren OH. He always remembered my name even when it had been a long while. He always wished me a safe drive home and worried over my driving in bad weather. Ralph was a kind soul with a great sense of humor. He will be missed. Prayers for all of you and deepest sympathy.*

“ *Ralph was such a wonderful human. In the brief 11 months of knowing him, he shared wisdom with me in a way that was impressionable. I was fresh off the boat and Ralph was a true friend. May his soul rest in peace. Sending strength to the family to cope with his vacuum*

“ You will be missed by so many dear friend. I feel fortunate to have and the opportunity to have known such a kind and gentle soul. He made your day each time you entered the building at Delphi/Aptiv and when the day was not going so well you could always count on him to pick you up and make you laugh. His story telling was always a treat and the pride he had for his family, particularly his grandchildren, was apparent. My deepest sympathy to his wife Sharon, Sherry, Sam and his entire family.

“ Ralph was truly a blessing. I met him in the lobby one day prior to a meeting at Delphi and he was so engaging. The easiest person in the world to talk to....so genuine. I made it a point to go see him every single time I went back. Always had that same warm greeting. Rest in Peace Ralph.

“ Ralph was a loving and caring person he would give you the coat off his back if he felt you needed it. He always talked about his family and the love he had for them and every time he mentioned Sharon he would like up like a candle. We had our difference of opinions at times but it never came stopped our friendship. You will be greatly missed.

“ Ralph had a gift of connecting with people and had many friends. I'm lucky to have been his friend - I will miss him. I always made a point to arrive early to appointments at Delphi/Aptiv so that I could have some time to catch up with Ralph. He could always make your day and leave you with a laugh. As Tom T. stated in his tribute, our periodic golf outings were the best and I would often leave with my sides hurting from laughing so much. When we weren't joking around Ralph would often talk about Sharon and their family. He would always ask about our families too. He loved his family very much and my condolences to you all. God bless you Ralph.

“ A very beautiful person I had the opportunity to get to know as I ran catering at Delphi/Aptiv. Never was a day we passed that we didn't revisit my fathers and his navy days. He always helped promote us on campus and eventually he introduced me to his family and daughter Sherri who eventually became not only my assistant manager at Starbucks on site but a very good friend!! I know peace is with Ralph and his family as he was fighting through his illness. He would always have you smiling no matter what kind of day was upon you!! You've gone home sailor. We will hopefully see you again my friend!

“ I worked with Ralph at Delphi for 14 years. He always was a positive guy with an uplifting soul....he just made those around him feel good. But my best memory was after I retired (he kept working even though I told him to retire) was our golf games together and with another Delphi friend Brian Altenberger. I can see us now cruising down the fairway laughing about something with cigars in hand and beers at the 19th hole. Bless you Ralph. Rest in peace. My condolences to his wife Sharon and family. I will miss you my friend.
