“ Ralph was a beloved friend, colleague, and advocate for many. He is one of the reasons why I decided to pursue a career in litigation. He was always willing to offer his time, guidance, and advice regarding the profession. While he and I did not always see eye-to-eye on everything, he was living proof that reasonable minds can disagree. When it came time for me to apply for and prepare for the Bar he was there not only to provide me with a character and fitness reference, but advice and wisdom I still think about and use today. He was also great story teller. He will be missed. The legal profession will not be the same without you. Rest in peace, Ralph.

“ Ralph was an amazing man. I'll never forget hanging out at the Musilli home when Amanda and I were teenagers. Ralph made the most amazing seafood pasta! I've never met a more sincere, wise and stately man. He will be greatly missed.

“ Uncle Ralph was a Major influence on me and he will be deeply missed. I so loved and appreciated our long lunches and his incredible ability to tell a story. I marveled at his command of and knowledge of history and how he could always tie it to life or life's lessons. He was a great story teller and filled in so many details about our family and always did so in such a prideful way. He always talked about his family and would just beam when he talked about the kids, Lynn or his Garden. I will miss him but will always have his guidance to look back on , smile when I think back on his reflections and stories even though I rarely got a word in and thankful that I had spent the time with him that I did! I'm sure you are providing counsel to the Angels now Unc... Thoughts and Prayers to Lynn and the Family.

“ Ralph was a wonderful neighbor and both he and Lynn are missed in the neighborhood. He always had a kind word and a lending ear. Very generous with lending his tools and his wisdom as well. Ralph knew so much about the island. The blue house is a legendary landmark to the fishermen on Lake St Clair. Angels in heaven welcome him. May his family find peace with his beautiful memory. Hugs to Lynn.

“ No words can express my heart felt feelings on the loss of Ralph. He was a friend and a wonderful, wonderful man, extremely knowledgeable. It was a honor to know him as a friend and our attorney. He told me one time, "Not to worry about anything, that is why I had him, everything will be ok". I will never forget those words of encouragement. God's Blessings on Lynn and the family. Our thoughts and prayers are and will be with all of you. The VanKehrberg Family. 🙏🙏🙏🙏🙏

“ We were partners for 30 years. Never met any attorney who knew a much about the law as he did. We never had a disagreement other than where to go for lunch.

“ Going to try this again, Ralph was one of the nicest kindest generous individuals that I have known he has helped more than one individual on Harbor drive me being one of them. On occasion I would join him and win on the back deck and have a cocktail and discuss many topics. He also had a conversation with my son on his career path choices. he will be sincerely missed by many condolences to win and his entire family. I'm just sorry I never got to your new house to visit. 🙏🙏🙏❤️❤️❤️ Sue Keller

“ I worked with Ralph for 12 years. Although it has been some time since those days I will always remember him as being an honest and kind hearted man. He loved his family and talked about them often. His eyes lit up when he did so. The last time I seen him was in 2018. I ran into him at the Macomb Theater for Performing Arts. He and Lynne were there to watch one of their grandchildren in a theatrical production. Which, by the way, was amazing! Again, he beamed with such a sense of pride when he talked about them that I could feel it in my own heart. To Lynne and the rest of his family and close friends, I'm so sorry for your loss. Please remember how much he loved you and so many others that he has helped along his path in life. I pray all who loved him will find peace in their hearts knowing what an impact he had on people during his time alive. Ralph was a great man because it was his nature, not because he had to be. ❤️

“ I worked with Ralph downtown in the early 80s. Still remember him as a nice, friendly guy. I live in St Clair Shores and always smiled as I drove by his office there. Wish I'd have popped in and surprised him. My prayers to those who loved him and will miss him. Barb Lamb
