“ I spoke with my father Ron Beyer on Wednesday to tell him the news. He sends his condolences and wishes the family comfort in their grief. My parents chose to build a new home near the Singer family by chance but it was a privilege growing up knowing two of the kindest people I have known. Ralph has now joined Geri and they are both smiling at us as we continue our journey without the light they brought to the world. May their memory be a blessing to all who grieve. With love from Kim and Lindsey Levine.
