“ This was a friend far in the past, and we as a family if Kevin remembers the Holm family, I've actually trying to reach my dear friends of the late 60s and early 70s..me a Kevin were actually closest but Tandy was an incredible friend and it's a sad thing to loose track of such close friends but, un the 70s there was no such thing as social media, just a dial tone...but Kevin if you read this my friend, my apologies and condolences..my cell is 712-210-3164 if you'd ever feel like a call

Randy was a Dear Friend of my family from Lake City, Iowa. They would visit the Andersons which lived right down the street from our house. Rexene and I were really tight knit friends back in the day. I miss them all so much and it's sad to read about Randy. He was like a brother to me and Kevin also. Lord how I've missed them so all these years ago. ❤️😞

“ I've known Randy for 41 years, we had a great relationship, we loved to pick on each other. He called me sweet baby Jayne and I called him "dwwain". We fought over olives at every family meal and I have so many other fun memories of our times together. I already miss him so much. Although we were many miles apart for most of our adult lives, we loved each other very much. He wasn't just my husband's brother, he was mine as well. We love and miss you Randy. I promise, I will help take care of Martha, Nicole and the girls as best as I can. Rest in peace my friend. Love you and we will see you again one day. Love, Jayne and Kevin
