“ *I worked with Randy at the Board Office. If I was having a rough day one visit to Randy and my day would turn around. Just remembering those high heels shoes she loved to wear makes me laugh. I am glad I got the chance to have her in my life. She was a kind soul.*

“ I worked with Randy at DeKeyser school many years ago. She was a wonderful Para professional. She worked in our DHH (Deaf and Hard of Hearing) program. I remember Randy as being very kind, funny and a pleasure to be around. She was excellent with our students and she was a valued professional in our program. She will be missed by all of us who had the pleasure of working with her.
