“ I remember I couldn't wait to go over to their house every day after school when I was a little girl just to see Mr. Collins, Mrs. Collins, Denise, Carol and Kathy. Our whole family had so much fun with yours. I always remember Ray being so soft spoken and a very kind man. Its never an easy road after losing someone this dear to you. I think of you all often. Take care.

“ Collins family -

*So sorry to hear of this great loss. Even though I have not seen you for many years - I think of your family often - Nola and Ray were SO wonderful to me. You will be in my prayers - we all know he is in a much better place - although this is hard on those left behind - he is gloriously happy now.*

*Love,

“ *Thinking of you all, dear Collins Family-Praying for comfort for each of you in this time of temporary parting. Jesus said: 'Let not your heart be troubled-you believe in God, believe also in Me. In My Fathers house are many mansions-if it were not so, I would have told you. I go to prepare a place for you! ...and if I go to prepare a place for you, I will come again and receive you to Myself, that where I am, you may be also.'*

*John 14:1-3 Precious promises for those trusting in the Savior! May He be your comfort and peace at this time. I am thankful to know your great family! I know your dad must have been very proud of all of you! Praying for you all.*

*With Love, Friendship and Prayers,

“ Sending you all my love as you say good bye to your beloved Father . I know he was an amazing man because of how loved he was by his family and how they cared for him. I met him on a few occasions as he. marveled at his beautiful granddaughter dancing at camp and then had the honor of taking in a Tigers game while Denise was up for a visit last summer. A true highlight to share the day with my dear friend and her Dad. Such a blessing and I know he will be missed by all. Sending you all the love and prayers as you go through this season of change knowing your Dad is with his Lord and Savior. Hugs, Susan

*So sorry! He was such a fine person. One of the visits I remember most is being at New Smyrna Steak House with several of the Collins family, the Wozniaks, and my mother. We had such a good time and many laughs. Mom and Ray are now together and I am sure there are smiles on their faces. You are all in my thoughts and prayers at this difficult time.*

*We love all of you!*
