ME

“ *Mr. Beatrice was my US history teacher in 11th grade at Bentley high school. I really enjoyed having him as a teacher. About 15 years ago I started looking for teachers to invite to reunions that we had. I had some lovely conversations with Mr. Beatrice about teaching and the impact teachers can have on students. He wasn't able to make the reunions but sent me some of his Bentley memorabilia. It was so thoughtful of him to send me the Bentley items, and it was wonderful having chats with him. My most sincere condolences to his family.*

I'm so sorry I misspelled Mr. Betru's name. I was using my microphone. I tried to correct it but I was unable to find a way to do that. 😞

“ *My husband and I both had Mr. Betrus as a teacher at Bentley High School in Livonia and talked of him fondly over the years. He was a wonderful teacher and a great man! I remember his classes very well and that big Lincoln that he drove! The world could use more people like him And heaven has gained a great soul!! May he Rest In Peace!*
