“ Dr McCracken was a kind, caring man, both as a father to Katie and James, and by serving others through his profession. I remember thinking how joyful he was when I was his patient; he would sing and hum the songs with the radio as he worked. He was always very talented, brilliantly intelligent and overall such a great person. Prayers of comfort to Ellen and those who love him.

Raymond was a joy to know. Raymond and Ellen were dear dear friends, and my husband Don practiced with him for 20 years at Anchor Bay Dental Associates. Don was so grateful for his friendship and for the gifts he brought to the practice. Rest in peace, Raymond.

Prayers for the McCracken family. Over the 22 years we lived in the area. Dr McCracken was a ref at soccer or a fan at IC basketball and a singing dentist to put us at ease. He shared his many talents. We were blessed to have known him. Eric and Diane Duda and family
