“ *Paulina, Kari, Erica & Vanessa: I feel truly privileged to have known Ray and shared a small part of his life on this earth. His wit & wisdom were only matched by his caring & compassion for others and his love for his family. Whenever he spoke of any of you, I could see the pride glowing in his eyes. I will never forget Ray and will keep him and all of you in my thoughts & prayers. Love Greg Phillips, Beaumont Health.*

“ *Some men are rich with things they own. Others are rich with treasures they hold.
But the true measure of a person is not what they have, but what they have built with faith and love. Success is measured by the way you live your life..... keeping God close to your heart, putting your family first, and living everyday to the fullest. Raymond has shown all of us that he had all the wealth and happiness anyone could ever ask for. He will always be remembered as a successful, faithful, loved, and happy man. We will miss your laugh, your smile, your jokes, and your love.
Love and prayers,

“ Ray was a patient at the Beaumont Health Center Hyperbaric Chamber. He became a favorite of the registration staff who rotated to support the Hyperbaric Chamber. We all received and still have Father (Saint Solanes) emulate. Ray always had a smile on his face and a kind word to us all at the Health Center and will be missed by us all. My sympathy goes out to Pauline and Ray's whole family. God bless you Ray and to your family as well, thank you for your friendship, kind words, smile and laughter.

“ *My heartfelt sympathy goes out to Raymond's family. Ever since I heard the sad news I keep remembering all the fun times we had growing up and as we got to be older teens we did a lot of crazy thing that if our parents knew we would have been grounded forever. Life was very simple back then so it wasn't had to get away with things. Raymond was always the life of our parties and a very happy guy and a super dancer. Oh the good old days 😊. My he rest in peace and suffer no more.

“ *I had limited interaction with Mr. Miazek, but he always struck me as a fighter and a survivor. I know he dealt with many medical issues, but he found a way to stay positive and continue to battle because of the love that he had for his family. His passion and vitality will continue to live on through his wife, children, and grandchildren. A truly special guy.*

“ *Memory eternal Raymond. So many happy moments to remember too numerous to mention. One of my favorite memories was watching Raymond at St. Marks during mass when Erica and Julie were alter servers. He could make those two laugh with his actions and facial expressions it was difficult for them to keep a straight face making mass so enjoyable for all. Your sweet, gentle spirit will be with me always. It will be difficult to fill those holes in the broken hearts of all who knew you. You are being comforted in the arms of Jesus and rejoicing in your new heavenly body no longer in pain and sheading no more tears. May the Lord lift the family up to feel a peace that surpasses all understanding during this difficult time. Love you all Miazek family.*
