“ *Dearest Helen and Family,*

I was truly saddened to hear of the passing of Ray. He was a great guy and I have very fond memories of him, He got me my first real full-time job at Manufacturers bank back in 1964.

My brother Fred was best man at their wedding.

I am sorry that I cannot pay my respects in person but please know that my thoughts and prayers are with all of you.

Helen, just to let you know that Fred passed away in January.

Love,

“ I am saddened to learn of Ray's passing. He was my boss at Manufacturer's National Bank in the 60's. I'll never forget my "first" boss. He was a wonderful man to work with, a great teacher, fair, sincere and had a wonderful sense of humor.

My deepest sympathy to his wife, children and grand children on their tremendous loss.

I will remember him always in my prayers. God bless you all.

Love, Pat (DeSmith) Sygiel###imported-begin##Pat Sygiel###imported-end##
