

Rebecca Ann Sell

September 1, 1971 - March 1, 2026

Rebecca Ann Sell was born on September 1, 1971 in Detroit to John and Barbara Maurus. Rebecca passed away at her home in Shelby Township on March 1, 2026, at the age of 54.

Rebecca was a gifted graphic designer, passionate traveler, and devoted friend and family member.

For many years, she built a distinguished career as a graphic designer in the automotive industry, where her creativity, precision, and innovative vision left a lasting impression on all those that she worked with. She quickly gained the admiration of those in her office at One10 as well as countless others in the automotive design industry.

Beyond her professional accomplishments, Rebecca had an adventurous soul. She loved to travel, try new restaurants and relax on the beach. She found joy in discovering the beauty in the world around her.

Above all, Rebecca cherished her family and friends especially her two boys Jacob and Dylan. She was the heart of every gathering; warm, welcoming and quick to laugh. Her kindness, loyalty, and unwavering support made those around her feel deeply valued. She celebrated life's milestones with joy and faced its challenges with grace and strength.

Beloved wife of Derek Sell. Very proud and loving mother of Jacob (Kayla) Fox-Kuczynski and Dylan Fox. Deeply loved sister of Chris (Deena) Maurus. Cherished aunt to Zachary, Ian and Evan Maurus.

“ Where do I begin. Becky and her family has been like family to us for over 50 plus years! Becky always lit up the room when she walked into it. She was beautiful inside and out and will be greatly missed. She was always there when I needed her most. The memories and the laughs we have shared I will always cherish just like our friendship. We called each other sis as we both really never had one but we sure did have each other. Our Moms were close friends and we carried that down to each other. I love you Sis! X

“ Rebecca was more than a graphic designer at One10 - i called her The Architect. She was interested in the big picture, had a vision of what something should be, and was quick to put it in action. Working with her was a privilege.

My condolences to her family and friends. I will be there tomorrow to pay respects. 🌸💜

“ Rebecca and I were hired by our company at the same time - back then it was Carlson Marketing. Over the past 18+ years we worked together on the same account, and she always made my words pop with her artistic eye for layout. Rebecca was the kindest, sweetest woman I know. My heart hurts for her family. Rest peacefully, Rebecca.

With love,
your "favorite Yooper" (Kris)

I only knew Becky as a child, as a fellow student and good friend at Bethlehem Lutheran. If she was only half the wonderful person as she was in adolescence, I have no doubt she spread her love to all those around her. My thoughts are with all who loved her. -Stacie Michalak (Hellrung)

“ Being part of her sons' lives has been one of the greatest blessings of my life. Watching them grow into the kind, strong, and remarkable young men they are today is a true reflection of the love, guidance, and unwavering support she gave them.

I am so grateful for the privilege of loving them and being their stepmother. They are a living testament to her beautiful heart.

*With all my love,
Kelly*
