“ Do you remember the time i decided to help your mother make tacos and she was out of the room and i dumped the potatoes in with the meat to cook them together which was not the way she did it and she came in and looked at me and i got scared, then she started to laugh

“ *Mima Preciosa*

*Te fuiste de este lugar y dejó un vacío
Hiciste lo hicieron muchos otros
Como muchos otros que viven y dejan
Pero este vacío
Este vacío es diferente*

*Te fuiste
Pero usted todavía está aquí
Usted está aquí para sus seres queridos
Hasta que escuche su nombre llamada*

*Eres amado
Usted está perdido por muchos
¡Qué hermoso espíritu*

*Nosotros somos consolados por ella
Y los recuerdos de ti*

“ I am so very sorry for your loss. Your mom was one of the most wonderful, appreciative & caring I have ever know. Her passing will be felt by everyone who ever knew her, and by the entire universe. Her spirit permeated everything and everyone. I will hold you in my thoughts and prayers as you do this final great task for her with the great love I know you have for her. As you noted ... she is in a better and deeply wonderful place now. Know that she and you are held with great love during this time. Be well and continue with your great courage as make these final arrangements for her. Love you much.

Dear Sally and Alice

So sorry for your loss. I will always remember your Mother from your visits to the New Haven Drugstore, way back in the '60's! She always had a great smile. I enjoyed meeting up with her again over the years. What a wonderful Mother you had, and you were so good to her. May great memories comfort you now.
